ONTARIO ENERGY BOARD NOTICE TO CUSTOMERS OF NATURAL RESOURCE GAS LIMITED

Natural Resource Gas Limited has applied to raise its natural gas rates effective October 1, 2015.

Learn more. Have your say.

Natural Resource Gas Limited has applied to the Ontario Energy Board to increase its natural gas rates effective October 1, 2015. Under the proposal, an average residential customer of Natural Resource Gas Limited would see an increase of \$8.65 to the annual bill.

Other customers in Natural Resource Gas Limited's service area, including businesses, will also see a rate increase.

The requested rate increase is set using a formula previously approved by the Board in 2014. The formula is tied to inflation and other factors intended to promote efficiency.

THE ONTARIO ENERGY BOARD IS HOLDING A PUBLIC HEARING

The Ontario Energy Board (OEB) will hold a public hearing to consider the application filed by Natural Resource Gas. We will question Natural Resource Gas on the case. We will also hear arguments from individuals and from groups that represent the customers of Natural Resource Gas. At the end of this hearing, the OEB will decide what rate changes, if any, will be allowed.

The OEB is an independent and impartial public agency. We make decisions that serve the public interest. Our goal is to promote a financially viable and efficient energy sector that provides you with reliable energy services at a reasonable cost.
