Attention: Ms. K. Walli, Board Secretary

Dear Ms. Walli:

**Re: Union Gas Limited - Application for Authority to Expropriate (EB-2015-0230)**

We are counsel to Union Gas Limited ("Union"). On July 20, 2015 Union filed an application, pursuant to section 99 of the *Ontario Energy Board Act*, for authority to expropriate certain interests in lands required for the construction of a natural gas pipeline and ancillary facilities in the City of Hamilton, City of Burlington and Town of Milton, Ontario (the "Application"). The Application requests authority to expropriate in respect of 8 properties. Union has since reached agreement with two of the affected landowners, in respect of the temporary easement sought on the property identified by the PIN 07214-0209 and in respect of the permanent and temporary easements sought on the property identified by the PIN 07214-0039. As such, Union no longer seeks authority to expropriate any interests on these particular properties.

Yours truly,

Jonathan Myers
