CALL BEFORE YOU DIG!

www.on1call.com

Before you dig, plant a tree or install a fence, call us at **(705) 372-2815** to request for a locate of the electrical wire. Because hydro wires are buried in the ground, it is important to obtain information about the site before you dig. If you don't, you may be in for a nasty surprise!

Allow 72 hours for the locating request.

Never dig or authorize any excavation on your property, until you have obtained the location of underground installations.

Note that this service is free.
