Dear Ms. Walli:

RE: Union Gas (EB-2015-0166) – Application for Pre –Approval of the Cost Consequences of NEXUS Long Term Contract- Comment on Intervention Request

Union received an intervention request dated July 22, 2015 from the Federation of Rental-housing Providers of Ontario (FRPO) for the above noted proceeding. Union acknowledges the intervention request and does not oppose the request. However, Union disagrees with statements contained in the letter. Specifically, the letter incorrectly states that this application is inter-dependent with EB-2014-0182 and EB-2015-0200.

Thank you

Yours truly,
