- TR Pg. 32, Line 11 “Brewster-Milton” should read “Bruce to Milton”

- TR Pg. 63, Line 12, Ms. Barragetti provided a response subject to confirmation. Ms. Barragetti wishes to provide the following confirmation in response to Mr. Davitt’s question

“The interim rate was just an extraction from HONI’s transmission filings while the B2M LP COS application reflects final cost basis for the partnership including any fluctuations in values and additional costs incurred.”

Sincerely,
