Dear Ms. Walli:

Re: Hydro Ottawa Limited Custom Incentive Regulation (“Custom IR”) Application for 2016-2020 Electricity Distribution Rates and Charges – Responses to Interrogatories - Board File Number EB-2015-0004

1. Pursuant to the directions set out by the Ontario Energy Board (“OEB” or “the Board”) in item 4 on page 3 of Procedural Order No. 1 dated June 15, 2015, as upheld in Procedural Order 2, Hydro Ottawa Limited (“Hydro Ottawa”) herein encloses its responses to OEB Staff and intervenor interrogatories. In accordance with Rule 27 of the OEB’s Rules of Practice and Procedure, Hydro Ottawa is filing its responses through the OEB RESS portal as well as serving them directly on each intervenor.
2. Hydro Ottawa wishes to advise the Board at this time that portions of response to interrogatory OEB # 1 cannot be filed at this time. Specifically, Hydro Ottawa is unable to provide at this time the rate design impacts and accompanying appendices. Hydro Ottawa will endeavour to provide this information to the Board and intervenors at its earliest opportunity.
3. Text-searchable electronic copies of Hydro Ottawa’s responses to interrogatories are being provided to all registered intervenors and a copy will be posted and available for public review on Hydro Ottawa’s website.
4. Please don’t hesitate to contact me should you have any questions.

Respectfully,
