Kirsten Walli
Board Secretary
Ontario Energy Board
P.O. Box 2319, 27th Floor
2300 Yonge Street
Toronto ON M4P 1E4

Dear Ms. Walli:

Re: Union Gas Limited ("Union") Application for Approval of 2015-2020 Demand Side Management Plans - Board File No. EB-2015-0029 – Preliminary Time Estimates for Cross-Examination of Witness Panels at Oral Hearing

We are counsel to the Association of Power Producers of Ontario ("APPrO") in the above-referenced proceeding. The following are APPrO's preliminary time estimates for cross-examination of each witness panel at the oral hearing, subject to change as the proceeding progresses.

Party and Witness Panel	Preliminary Time Estimate
Green Energy Coalition – Chris Neme and Paul Chernick Witness Panel	60 – 120 minutes
Ontario Sustainable Energy Association – Chris Young Witness Panel	30 – 45 minutes
Ontario Energy Board Staff – Synapse Energy Economics Witness Panel	30 minutes
Union – Witness Panel 2 (Main Panel)	15 – 30 minutes (contingent on technical conference)
Union – Witness Panel 3 (Large Volume)	15 – 60 minutes (contingent on technical conference)
Enbridge Gas Distribution Inc. – Witness Panel 1 (DSM Policy, Planning & Evaluation)	20 – 30 minutes

We ask that the Board note that due to an immovable scheduling conflict we cannot attend to cross-examine at the oral hearing during the following dates and times: August 19th, 11am - 3pm; August 20th, 8am - 12pm; and August 21st, 8am - 2pm. Given the timing of the intervenor witness panels indicated by their counsel, this currently does not appear to be a scheduling issue during the hearing.

Please do not hesitate to contact me should you have any questions or concerns.

Sincerely,

per: Lisa (Elisabeth) DeMarco
