**Re: Kingston Hydro Corporation (“Kingston Hydro”)
2016 Custom Incentive Rate Application 2016-2020
Community Presentation Day
OEB File No. EB-2015-0083**

The OEB issued Procedural Order No. 1 on July 17, 2015 which set a date for Kingston Hydro to make a public presentation of its application on August 17, 2015 starting at 9:30 a.m. in Kingston, Ontario

Please be advised that the presentation will be held on August 17, 2015 starting at **4pm** in Kingston, Ontario. The presentation will include a tour of Substation No. 1 located in the downtown core, as well as a presentation by Kingston Hydro at the Rogers K Rock Centre. The schedule is as follows:

- 4:00 pm: Meet at the Rogers K-Rock Centre, 1 The Tragically Hip Way (access through gate 3), Kingston ON
- 4:15 pm: Tour Kingston Hydro’s substation No. 1, 29 Queen Street, Kingston ON
- 5:00 pm: Oral presentation by Kingston Hydro followed by questions and comments (Rogers K-Rock Centre)

The OEB reminds any party planning to ask questions of Kingston Hydro’s panel that Kingston Hydro’s presentation is intended to provide an overview of the application it has filed with the OEB. The presentation is not intended to provide a detailed explanation of issues, but rather to summarize the Kingston Hydro’s overall application. Parties should therefore adopt a similar focus with their questions.

If you are unable to attend in person but would like to participate, you may join in the teleconference at:
