RE: EB-2015-0049 & 0029 Correcting L.GEC.2

Dear Ms Walli,

Please find enclosed 2 copies of the corrected evidence of Mr Chernick. In the course of completing interrogatory responses 2 changes were identified requiring this update.

- Figure 3 on page 15 was found to contain an error. Mr Chernick indicates that it has no effect on the evidence and can simply be withdrawn, including the paragraph that discussed it. See M.GEC.FRPO.3.
- On page 17 a decimal place typographical error has been corrected. It does not affect any computations, and was identified in M.GEC.UNION.6f and M.GEC.EGDI.18.

The file was uploaded to the RES system as 27405 and was emailed to all parties.

Sincerely,

(Mr.) Kai Millyard
Case Manager
Green Energy Coalition
