Best Advice

From our call centre agents to our service technicians, we're committed to providing the best advice to ensure your home comfort.

Red Carpet Treatment

We treat your home as our own by using booties or a red carpet to ensure that dirt and debris aren't tracked throughout your house!

All Canadian

Enercare is proudly owned and operated in Canada and is over 900 employees strong.

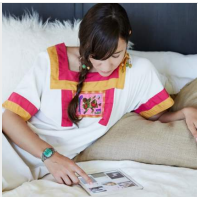

"We were very impressed with the installers - extremely professional. They worked efficiently, took care to clean up and took the time to explain how the new system worked. They were awesome."
