**RE: Olameter Inc's Application for a Unit Sub-Metering Licence**  
**Board File Number EB-2015-0231**

Please accept this letter as confirmation that Olameter Inc. has received the OEB's Letter of Direction dated August 13, 2015 regarding Olameter's application for a Unit Sub-Metering Licence and has follow all directions specified in the letter including:

- Both English and French versions of the Notice of Application can be found on Olameter's website at: <https://www.olameter.com/en/admin-page/administrative-services>.
- A copy of the Notice of Application and Evidence documentation is available for public review at Olameter's office located at 300 Industrial Parkway South, Aurora, ON.
- A copy of the Application and Evidence documentation will be provided to anyone requesting the materials.

We trust this is the information that you require at this time. Should the OEB have any questions or require any additional information please contact Mae Reliszko via email at [mreliszko@olameter.com](mailto:mreliszko@olameter.com) or via phone at 800-903-7003 ext. 5451.

Regards,

Mae Reliszko  
Vice President Administration  
Olameter inc.
