Re: Application File #EB-2015-0181

I am writing on behalf of the constituents in my riding of Timiskaming-Cochrane regarding the Union Gas application requesting approval to change the delivery and transportation charges.

If this application is approved, residents throughout my riding and across Northern Ontario will be charged higher than average fees for heating fuel while other areas will receive a decrease.

I request the opportunity to participate in the review of this application on behalf of my constituents.

Sincerely,

John Vanthof, MPP
