## Your Health Care Heartbeat

brought to you by Mattawa Hospital and Algonquin Nursing Home

**We Need You! - Come make a difference in the lives of patients and residents at the Mattawa Hospital and Algonquin Nursing Home!**

Jeremy Stevenson

The Mattawa Hospital and Algonquin Nursing Home are excited by the progress happening in our application to build a new Nursing Home in Mattawa located beside the Hospital. A crucial part of our Staff, Physician and Board Member Team are our Volunteers. Volunteers provide a very important link between the community and the Nursing Home residents and Hospital patients. Many volunteers are involved in the activity program because they have

## ONTARIO ENERGY BOARD NOTICE TO CUSTOMERS OF UNION GAS LIMITED

Union Gas Limited has applied for approval to change its gas commodity, storage and transportation rates effective January 1, 2016.

Learn more. Have your say.

Union Gas Limited has applied to change its rates to better reflect how it supplies natural gas to its customers. The proposed changes include the following:

- A change in the reference price used to set rates on a quarterly basis for a majority of its customers; and
- A change to how it allocates costs to the different types of customers that it serves.

An average residential customer would see the following annual bill impact, but these impacts would only start in 2018:

Residential Customer - Service Area	Approximate Bill Impact
Southern Ontario (Windsor to Hamilton)	Decrease of \$20
Northern Delivery Area (North Bay to Kapuskasing)	Increase of \$26
All Other Delivery Areas	Decrease of \$1.60 - \$51.60

Other customers in Union Gas Limited's service area, including businesses, will also be affected.

### THE ONTARIO ENERGY BOARD IS HOLDING A PUBLIC HEARING

The Ontario Energy Board (OEB) will hold a public hearing to consider the application filed by Union Gas.

We will question Union Gas on the case. We will also hear arguments from individuals and from groups that represent the customers of Union Gas. At the end of this hearing, the OEB will decide whether to approve the changes that Union Gas has requested in this application.

The OEB is an independent and impartial public agency. We make decisions that serve the public interest. Our goal is to promote a financially viable and efficient energy sector that provides you with reliable energy services at a reasonable cost.

- You can review the application filed by Union Gas on the OEB's website now.
- You can file a letter with your comments, which will be considered during the hearing.
