

For those wanting to actually try out an instrument, Todd Crowley’s Musical Petting Zoo, provided that opportunity. Above, the father-son duo from Kitchener-Waterloo, Walden Tremaine, 8, and dad Jacob, try their skills on a banjo and guitar.

The 2nd Annual Kingsville Folk Music Festival drew outstanding crowds throughout the week-end. Site plan control approval passed

Leamington municipal staff received an application for site plan control approval from Pure Hothouse Greenhouses to construct Phase 1 of a new greenhouse development. Phase 1 of the development will include 9.618 ha (23.77 ac) of greenhouse range, a warehouse, boiler room, hot water storage tank and a bunkhouse.

Future Phases 2 and 3 will require further review and approvals and will result in a total acreage of 28.8 ha (71.3 acres) of greenhouse range on the subject property. This would also involve a buy-in fee to use Lundy Drain because of change agricultural drainage.

The recommendation was passed by Council at the Aug. 10 meeting.
