Attention: Ms. K. Walli, Board Secretary

Dear Ms. Walli:

Re: Union Gas Limited - Application for Authority to Expropriate (EB-2015-0230)

We are counsel to Union Gas Limited ("Union"). On July 20, 2015 Union filed an application, pursuant to section 99 of the *Ontario Energy Board Act*, for authority to expropriate certain interests in lands required for the construction of a natural gas pipeline and ancillary facilities in the City of Hamilton, City of Burlington and Town of Milton, Ontario (the "Application"). The Application requests authority to expropriate in respect of 8 properties. In letters dated July 24, 2015, August 6, 2015 and August 12, 2015, we advised the Board that Union had reached agreement with the landowners in respect of four of the affected properties. Please be advised that Union has since reached agreement with one additional landowner, in respect of the temporary easement sought on the property identified by the PIN 07214-0006. As such, Union no longer seeks authority to expropriate any interests on this particular property. There are three remaining properties that are now subject to the Application.

Yours truly,

Jonathan Myers
