Attention: Board Secretary

Dear Ms. Walli:

**Subject: Allstream Inc. Method of Hearing for Hydro Ottawa Limited Custom IR Application,  
Board File EB 2015-0004**

---

1. In Procedural Order 3 in the above noted proceeding, paragraph 8, parties were invited to make submissions on which unsettled issues should be heard in writing and for which issues the Board should hold an oral hearing. Allstream Inc. (Allstream) has participated in this proceeding only in respect of the pole attachment rate. Accordingly, Allstream's comments are limited to this issue only.
2. Allstream is of the view that the pole attachment rate issue could be adequately addressed by a written proceeding. However, Allstream does not oppose an oral hearing.

Yours truly,

**Pauline Jessome**  
Director, Regulatory Allstream
