Attention: Ms. K. Walli, Board Secretary

Dear Ms. Walli:

Re: Union Gas Limited - Burlington Oakville Pipeline Project (EB-2014-0182)

This letter is in reply to the correspondence filed with the Board in this proceeding on behalf of the Federation of Rental Property Owners ("FRPO") on September 3, 2015. FRPO filed its letter in support of the letter filed by the School Energy Coalition (SEC") on September 2, 2015 requesting that Procedural Order No. 5 be amended and that an oral proceeding be conducted.

Like SEC, the issue raised by FRPO in its correspondence is a point of argument best dealt with by way of written submissions. As such, Union submits that cross examination would not be of sufficient probative value to warrant an oral proceeding. For this reason and those set out in our letter of September 3, 2015 replying to SEC, Union submits that Procedural Order No. 5 should not be amended and that this proceeding should remain a written proceeding.

Yours truly,

Charles Keizer
