**Re: Enbridge Gas Distribution Inc. (the “Company” or “Enbridge”)
EB-2015-0122 – 2014 Earnings Sharing Mechanism (“ESM”)
Enbridge Comments on Cost Claims**

In accordance with the Ontario Energy Board’s Decision issued on August 20, 2015 for the above noted proceeding, Enbridge has reviewed the cost claims it has received from Association of Power Producers of Ontario (“APPRO”), Building Owners and Managers Association of Greater Toronto (“BOMA”), Canadian Manufacturers and Exporters (“CME”), Consumers Council of Canada (“CCC”) Energy Probe, and Federation of Rental-housing Providers of Ontario (“FRPO”).

Enbridge found in BOMA’s cost claim what seems to be repetitive courier charges which Enbridge believes requires clarification.

Enbridge found the other claims to be within the allowances of prescribed rates within the cost assessment guidelines and has no objection to the claims. Enbridge reserves the right to comment on any cost claims subsequently received.

The Company awaits the cost awards of the Board with respect to these cost claims.

Please contact the undersigned if you have any questions.

Yours truly,
