Re: EB-2014-0080 - Request for an extension in filing responses to Board Staff and VECC IRs

Hearst Power Distribution Co. Ltd. (HPDC) has been working diligently to complete its responses to Board Staff and VECC's Interrogatories; regrettably, HPDC and its external resources are not able to meet the September 8th deadline.

Having reviewed the status of the work still outstanding, HPDC is confident that it will be able to complete and submit its responses by September 11th, 2015. Please note that HPDC will make every effort to file its responses sooner than the September 11th, 2015 if possible.

HPDC regrets any inconvenience that this delay may cause and appreciates Board Members, Board Staff and VECC's understanding in this matter.

Regards,

Jessy Richard
General Manager
