

# ONTARIO ENERGY BOARD NOTICE TO CUSTOMERS OF FESTIVAL HYDRO INC.

**Festival Hydro Inc. has applied to adjust the rates it charges for the distribution of electricity.**

**Learn more.**

**Festival Hydro has applied to the Ontario Energy Board to decrease the amount it charges for distributing electricity by approximately \$3.80 each month for a typical residential customer on January 1, 2016. Other customers, including businesses, may be affected as well.**

**The rate change is a decrease because certain temporary charges are scheduled to end at the same time as Festival Hydro is requesting a formulaic rate adjustment tied to inflation and other factors intended to promote efficiency.**

## **THE ONTARIO ENERGY BOARD IS HOLDING A PUBLIC HEARING**

The Ontario Energy Board (OEB) will hold a public hearing to consider Festival Hydro's request. We will determine whether Festival Hydro has used the applicable models and formulas as required by the OEB and whether to approve Festival Hydro's request to recover a true-up, if necessary, for the cost of a bypass agreement. At the end of this hearing, the OEB will decide on the appropriate rate changes.

The OEB is an independent and impartial public agency. We make decisions that serve the public interest. Our goal is to promote a financially viable and efficient energy sector that provides you with reliable energy services at a reasonable cost.
