Dear Ms. Walli:

**Halton Hills Hydro Inc. (2016 COS Distribution Rate Application)
Board File No. EB-2015-0074**

Please find enclosed two corrected hard copies of the application and evidence filed with the Board electronically on August 28, 2015. This replaces the two hard copies sent to the Board on August 31, 2015, which incorrectly noted the Board docket number as EB-2015-0274 in the header on each page. Also enclosed is a memory stick with soft copies of the corrected application and evidence. These documents should over-write the documents currently on RESS. We will attempt to file on RESS but have had difficulties, so are enclosing the memory stick in the event we are unsuccessful. The password for the memory stick will be sent to you via separate email.

Please do not hesitate to contact me if you have any questions.

Yours very truly,

Richard King
