

**Ontario Energy Board**

**IN THE MATTER OF** the *Ontario Energy Board Act, 1998*,  
S.O. 1998, c.15, Schedule B, as amended;

**AND IN THE MATTER OF** an Application by Enbridge Gas  
Distribution Inc., under Sections 19 and 44 of the Act, for an  
exemption under section 2.2.2 of the *Affiliate Relationships  
Code* for Gas Utilities.

**NOTICE OF INTERVENTION**

**OF**

**ENERGY PROBE RESEARCH FOUNDATION**

Energy Probe Research Foundation (Energy Probe) applies for intervenor status in this proceeding.

**Statement of Interest**

Energy Probe is a non-profit environmental and consumer organization which promotes economic efficiency in the use of resources. Energy Probe will be representing its residential customer supporters in Ontario, which we have some number of thousands, and also representing a broader concern with respect to the overall financial health and operational integrity of our utilities. Energy Probe will be intervening on issues which the Foundation believes to be in the residential ratepayer interest.

**Intervention**

Energy Probe intends to appear and participate in the hearing. Energy Probe expects to be a full-time intervenor. Energy Probe will be assisted by experts and may call evidence.

**Costs**

Energy Probe is a non-profit organization which relies on individual donations to help protect the public interest. Without the prospect of an award of costs, Energy Probe's ability to participate in proceedings would be very limited. Energy Probe intends to seek a cost award in this proceeding, and expects to intervene responsibly, cognizant of the Boards guidelines regarding cost awards.

## Communications

Communications relating to this Notice of Intervention, including but not limited to a copy of all documents filed with the Board by Enbridge Gas Distribution, are required by Energy Probe and should be directed to:
