Dear Ms. Walli:

EB-2015-0115: Natural Resource Gas Limited (“NRG”) re Responses to Comments on draft Rate Order

On September 10, 2015, the Ontario Energy Board (the “Board”) approved NRG’s application for an approval of rates and other changes for the sale, distribution, transmission and storage of gas effective October 1, 2015 (the “Decision”). In the Decision, the Board also ordered NRG to file a draft Rate Order attaching a proposed tariff of rates and charges, which NRG completed on September 14, 2015. The Board also permitted Board Staff and intervenors to file any comments on the draft Rate Order by September 16, 2015.

On September 15, 2015, NRG received comments from Board Staff, who advised that they were satisfied that NRG’s draft Rate Order appropriately reflected the Decision. NRG agrees with the submissions of Board Staff and has no further comments or submissions at this time.

Please do not hesitate to contact me if you have any questions.

Yours very truly,

Patrick G. Welsh
Associate
