ONTARIO ENERGY BOARD NOTICE

Union Gas Limited has applied for approval to increase the operating pressures in certain of its natural gas storage pools.

Learn More. Have Your Say.

Union Gas Limited has asked the Ontario Energy Board for approval to increase the operating pressures in its Bentpath East, Booth Creek, and Mandaumin natural gas storage pools above current operating pressures that were set in Ontario Energy Board's original conditions of approval. The storage pools are located in the Townships of Dawn, Enniskillen and Plympton, and the City of Sarnia all in Lambton County. The increase in operating pressures will allow Union Gas Limited to store more natural gas in each of the storage pools.

A map of the general location of the storage pools is provided below.
