Olameter Inc. filed an application on July 22, 2015 with the Ontario Energy Board (OEB), under section 60 of the *Ontario Energy Board Act, 1998* for a Unit Sub-Metering Licence.

A Notice of Application and Written Hearing was posted on the OEB's website on August 13, 2015. No parties responded to the Notice.

This Decision and Order is being issued by Delegated Authority, pursuant to Section 6 of the Act.

The applicant neglected to renew its previous unit sub-metering licence ES-2009-0119 before it expired on June 24, 2014. As it appears Olameter Inc. has been in contravention of section 57 of the Act for a period of more than a year it may be subject to an OEB compliance proceeding. This licence is granted without prejudice with regard to any future compliance actions.

**IT IS ORDERED THAT:**

1. The application for a unit sub-metering licence is granted, on such conditions as are contained in the attached licence.
