Dear Ms. Walli:

Board File No. EB-2015-0003
PowerStream Inc. --- 2016 – 2020 CIR Application
Energy Probe – Threshold Scope Issue

Pursuant to Procedural Order No. 3, issued September 18, 2015, wherein parties were advised to file their submissions on the threshold question by September 23rd, Energy Probe Research Foundation (Energy Probe) advises that it was provided with an opportunity to review a draft of the School Energy Coalition (SEC) submission in the EB-2015-0003 proceeding.

Energy Probe agrees with and adopts the Submissions of the SEC filed today; Energy Probe submits the merger is clearly in scope in this proceeding.

Should you require additional information, please do not hesitate to contact me.

Yours truly,
