Attention: Kirsten Walli, Board Secretary

Dear Ms. Walli:

**Re: EB-2015-0092  
North Bay Distribution Ltd. ("NBHDL")  
2016 Incentive Regulation Mechanism ("IRM") Application**

In a letter dated July 16, 2015, the Ontario Energy Board (the "Board") identified NBHDL as one of the distributors on the 2016 IRM schedule, grouped into Stream 2, with a filing deadline of September 28, 2015. NBHDL is writing to inform the Board that NBHDL will not be in a position to file its IRM application by the filing deadline as NBHDL's 2015 Cost of Service application (EB-2014-0099) is still on-going and final rates are not yet approved.

NBHDL will file a 2016 IRM application as soon as possible once final rates have been approved, however, that date is not yet known. Once approval has been granted, NBHDL will advise the Board on an anticipated filing date.

Regards,
