Revisions
Board File Number EB-2015-0004**

As directed in Procedural Order no. 8 (issued September 24, 2015) HOL files the following response to the question posed by the Board Panel on page 3 of 8.

Question: Are any of the costs that are being claimed by Hydro Ottawa in this proceeding being recovered elsewhere such as through reciprocal arrangements with other parties?

Response: No not through reciprocal agreements with other parties, however as noted in Interrogatory Response to Carriers #14(d) Table 1, Hydro Ottawa has received some capital contributions with respect to the pole replacement program.

Thank you for your consideration regarding this matter.

Respectfully,
