**Re: Hydro Ottawa Limited Distribution Rates 2016-2020 (EB-2015-0004) -  
Settlement Proposal**

Dear Ms. Walli,

On September 18, 2015, Hydro Ottawa Limited ("HOL") filed its Settlement Proposal with the OEB. The Sustainable Infrastructure Alliance of Ontario (the "SIA") did not participate in the settlement process and as such is not a signing party to the Settlement Proposal. However, having reviewed the terms of the proposed settlement (and the details and features of the capital spending plan in particular), the SIA would like to inform the OEB and all parties that it supports the Settlement Proposal as agreed to by fellow intervenors and HOL. For the reasons largely summarized in Section E, the SIA believes that the proposal, if accepted by the OEB, would produce a reasonable outcome for both HOL and HOL's ratepayers.

Sincerely,
