**Re: Waterloo North Hydro Inc. (Waterloo North Hydro)  
2016 Cost of Service Rate Application**

The Ontario Energy Board (OEB) is in receipt of a letter from Waterloo North Hydro requesting an extension of the due date of September 25, 2015 for the filing of the Settlement Proposal that was due to be filed in accordance with Procedural Order No. 1.

Waterloo North Hydro indicated that parties continue to work diligently towards a possible settlement however it has become apparent that the parties will not meet the September 25, 2015 deadline. Waterloo North Hydro noted that the parties will continue to work diligently through the remaining issues to finalize any possible settlement. Waterloo North Hydro will undertake to file any settlement proposal arising from the settlement conference on or before October 2, 2015.

The OEB grants the extension requested by Waterloo North Hydro for the filing of the Settlement Proposal.

Yours truly,
