Union Gas Limited applied to the Ontario Energy Board to increase its natural gas rates effective January 1, 2016. If the application is approved, an average residential customer of Union Gas Limited in Southern Ontario (from Windsor to Hamilton) would see an increase of approximately \$7.80 per year. Residential customers in all the other areas served by Union Gas Limited would see an increase ranging from \$2.50 to \$2.80 per year. Other customers, including businesses, may also be affected.

The requested rate increase is set using a formula previously approved by the Ontario Energy Board for the period 2014-2018. The formula is tied to inflation and other factors intended to promote efficiency.

THE ONTARIO ENERGY BOARD WILL HOLD A PUBLIC HEARING

The Ontario Energy Board (OEB) will hold a public hearing to consider Union Gas Limited's request. We will question the company on its case for a rate change. We will also hear arguments from individuals and from groups that represent Union Gas Limited's customers. At the end of this hearing, the OEB will decide what, if any, rate changes will be allowed.

The OEB is an independent and impartial public agency. We make decisions that serve the public interest. Our goal is to promote a financially viable and efficient energy sector that provides you with reliable energy services at a reasonable cost.
