

EB-2015-0233

**Application for an exemption from section 2.2.2 of the  
Affiliate Relationships Code for Gas Utilities.**

**PROCEDURAL ORDER No. 1**

Enbridge Gas Distribution Inc. (EGDI) filed an application with the Ontario Energy Board, received on August 6, 2015 under section 19 and 44 of the *Ontario Energy Board Act, 1998*, seeking an exemption from section 2.2.2 of the *Affiliate Relationships Code for Gas Utilities* (ARC). If granted, the exemption would enable EGDI to share Information Technology services on a consolidated basis with its corporate parent Enbridge Inc. The OEB has assigned the application File Number EB-2015-0233.

The OEB issued a Notice of Hearing (Notice) on August 28, 2015. Each of Building Owners and Managers Association, Greater Toronto (BOMA); Canadian Manufacturers & Exporters (CME); Union Gas Limited (Union), Energy Probe Research Foundation (Energy Probe) and Industrial Gas Users Association (IGUA) applied for intervenor status. BOMA, CME, Energy Probe and IGUA also applied for cost eligibility. No objection was received.

I have determined that BOMA, CME, Union, Energy Probe and IGUA are granted intervenor status and that BOMA, CME, Energy Probe and IGUA are eligible to apply for an award of costs under the OEB's *Practice Direction on Cost Awards*.

The list of parties in this proceeding is attached as Schedule A to this procedural order.

Parties are reminded to consult sections 26 and 27 of the Board's *Rules of Practice and Procedure* regarding required naming and numbering conventions and other matters related to interrogatories.

I consider it necessary to make provision for the following matters related to this proceeding. Provision is being made for written submissions following the filing of interrogatory responses, unless the OEB orders otherwise during the course of the proceeding. The OEB may issue further procedural orders from time to time.

**IT IS THEREFORE ORDERED THAT:**

1. OEB staff and intervenors shall request any relevant information and documentation from EGDI that is in addition to EGDI's evidence, and that is relevant to the hearing, by written interrogatories filed with the OEB and served on EGDI by **October 14, 2015**.
2. EGDI shall file with the OEB complete written responses to all interrogatories and deliver them to all intervenors by **October 26, 2015**.
3. Unless the OEB orders otherwise, OEB staff and intervenors may file a written submission with the OEB, and deliver it to EGDI and all intervenors by **November 9, 2015**.
4. Unless the OEB orders otherwise, EGDI may file a written reply submission with the OEB, and deliver it to intervenors by **November 17, 2015**.

All filings to the OEB must quote the file number, EB-2015-0233, be made in searchable / unrestricted PDF format electronically through the OEB's web portal at <https://www.pes.ontarioenergyboard.ca/eservice/>. Two paper copies must also be filed at the OEB's address provided below. Filings must clearly state the sender's name, postal address and telephone number, fax number and e-mail address. Parties must use the document naming conventions and document submission standards outlined in the RESS Document Guideline found at <http://www.ontarioenergyboard.ca/OEB/Industry>. If the web portal is not available parties may email their documents to the address below. Those who do not have internet access are required to submit all filings on a CD in PDF format, along with two paper copies. Those who do not have computer access are required to file 7 paper copies.

All communications should be directed to the attention of the Board Secretary at the address below, and be received no later than 4:45 p.m. on the required date.

With respect to distribution lists for all electronic correspondence and materials related to this proceeding, parties must include the Case Manager, Ronak Mozayyan at [Ronak.Mozayyan@ontarioenergyboard.ca](mailto:Ronak.Mozayyan@ontarioenergyboard.ca).
