

**EB-2015-0250**

**Union Gas Limited**

**Application for approval to increase the operating pressures  
in certain of its natural gas storage pools.**

**PROCEDURAL ORDER NO. 1**

**October 9, 2015**

Union Gas Limited (Union) applied on August 25, 2015 to the Ontario Energy Board (OEB) for approval to increase the operating pressures in its Bentpath East, Booth Creek, and Mandaumin natural gas storage pools above current OEB-approved operating pressures. The storage pools are located in the Townships of Dawn, Enniskillen and Plympton, and the City of Sarnia all in Lambton County. The increase in operating pressures will allow Union Gas Limited to store more natural gas in each of the storage pools.

A Notice was issued on September 9, 2015 and was served and published as directed.

Enbridge gas Distribution Inc. (Enbridge) applied for intervenor status. Union did not file any objection.

I hereby grant intervenor status to Enbridge. The list of parties in this proceeding is attached as Schedule A to this Procedural Order.

I consider it necessary to make provision for the following matters related to this proceeding. The OEB may issue further procedural orders from time to time.

**IT IS THEREFORE ORDERED THAT:**

1. If OEB staff or Enbridge require information and material from Union that is in addition to Union's evidence and that is relevant to the hearing, OEB staff shall

request it by written interrogatories filed with the OEB and delivered to Union by **October 21, 2015**.

2. Union shall file with the OEB complete responses to the interrogatories by **November 4, 2015**.
3. Unless the OEB orders otherwise, OEB staff and Enbridge may file any written submission with the OEB and deliver it to Union by **November 18, 2015**.
4. Unless the OEB orders otherwise, Union may file a written reply submission with the OEB by **December 2, 2015**.

All filings to the OEB must quote the file number, EB-2015-0250 and be made electronically in searchable / unrestricted PDF format through the OEB's web portal at [www.pes.ontarioenergyboard.ca/eservice/](http://www.pes.ontarioenergyboard.ca/eservice/). Two paper copies must also be filed. Filings must clearly state the sender's name, postal address and telephone number, fax number and e-mail address. Parties must use the document naming conventions and document submission standards outlined in the RESS Document Guideline found at [www.ontarioenergyboard.ca/OEB/Industry](http://www.ontarioenergyboard.ca/OEB/Industry). If the web portal is not available parties may email their documents to the address below. Those who do not have internet access are required to submit all filings on a CD in PDF format, along with two paper copies. Those who do not have computer access are required to file 7 paper copies.

All communications should be directed to the attention of the Board Secretary at the address below, and be received no later than 4:45 p.m. on the required date.
