

**Union Gas Limited
Dawn Parkway Project
Technical Conference – Day 1
October 15, 2015**

EXHIBIT LIST

EXHIBIT TK	No Exhibits Filed at the Technical Conference	Page (s)
-------------------	--	-----------------

UNDERTAKING LIST

EXHIBIT TJ	Undertakings Filed at the Technical Conference	Response Filed
JT 1.1	To provide the rate impact of the reallocation of the indirect costs. (pg 5)	
JT 1.2	To describe the calculation of income tax. (pg 8)	
JT 1.3	To provide the additional detail with respect to lines 8 through 10 of Schedule 1 of Exhibit 1, Tab 10 (pg 10)	
JT 1.4	To provide an updated figure for the Dawn Station revenue requirement. (pg 20)	
JT 1.5	To provide the modifications that were made to table 4-7. (pg 30)	
JT 1.6	To go through each of the individual compressors and say how they're allocated, functionalized between storage, transmission and those that are both storage and transmission. (pg 55)	
JT 1.7	To differentiate the cost drivers that would be in play and would direct the cost allocation for the differences between Plant B and the New Plant H. (pg 56)	
JT 1.8	To advise what the excess capability at Dawn was and the amount that was taken up as a result of 2015 and 2016 Dawn-To-Parkway system expansions, separating whatever goes to Panhandle. (pg 77)	
JT 1.9	To file pages 50 to 53 of the above-mentioned document. (pg 81)	

EXHIBIT TJ	Undertakings Filed at the Technical Conference	Response Filed
JT 1.10	To identify how the costs of the spare engine will be allocated to the various elements of the Dawn-To-Parkway system. (pg 113)	
JT 1.11	To provide the reference where the conversion was given as to what Dawn-To-Parkway capacity was created. (pg 156)	
JT 1.12	To ask whether the other customers are contracting, to Union's knowledge, to serve an existing gas-fired plan or to increase capacity to an existing gas fired plant. (pg 159)
