Parties to EB-2015-0083

**Re: Kingston Hydro Corporation (Kingston Hydro)
2016 Cost of Service Rate Application**

On October 23, 2015 the OEB received a letter from Kingston Hydro requesting an extension to the date by which it was to have filed a settlement proposal, initially outlined in Procedural Order No. 1 as October 27, 2015.

Kingston Hydro has reported that while parties continue to work diligently towards a possible settlement, they will not meet the original deadline. Kingston Hydro has proposed instead to file any settlement proposal arising from the settlement conference on or before November 3, 2015.

The OEB grants the extension.

Yours truly,
