## Decision and Order

Hospital Energy LLC filed an application on August 24, 2015 with the Ontario Energy Board (OEB), under section 60 of the *Ontario Energy Board Act, 1998* for an Electricity Retailer Licence as an agent only for large volume consumers. The licence would allow the applicant to act as an agent or broker for a retailer with respect to the sale of electricity to large volume consumers in Ontario.

A Notice of Application and Written Hearing was posted on the OEB's website on September 9, 2015. The Notice provided time for submissions on the application evidence, as well responses from the applicant. No parties responded to the Notice.

This Decision and Order is being issued by Delegated Authority, pursuant to Section 6 of the Act.

After considering the evidence, I find it to be in the public interest to issue an Electricity Retailer Licence as an agent only for large volume consumers to Hospital Energy LLC.

### IT IS ORDERED THAT:

1. The application for an agent only electricity retailer licence for large volume consumers is granted, on such conditions as are contained in the attached licence.
