Re: Request for a name & address Change amendment to Electricity Generation Licence EG-2010-0165

To the Board of secretary,

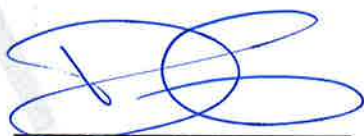

The object of this letter is to request an amendment to change the name that appears on the Electricity Generation Licence EG-2010-0165 from **Fiera Axiom Solar St. Isidore B Limited Partnership** to **Axiom Solar St. Isidore B Limited Partnership**. The name changes in our project entities was carried out for administrative reasons resulting from the obligation of our US project entities to comply with regulatory constraints associated with the Volcker rule. The name change and address change are effective as of July 23, 2015. Attached with this letter is the RESOP Contract Amending Agreement demonstrating acceptance of this name change by the Independent Electricity System Operator (the "IESO").

The Partnership wishes to have the proceeding disposed of without a hearing, as per section 21(4)(b), because no person will be adversely affected in any material way by the outcome of the proceeding.

Please note the following changes with respect to the licensee:

Address:	120 Adelaide Street East, suite 425 Toronto, ON M5H 1T1
Contact Name:	Jean-François Poisson, Asset manager T. 514-954-6586

Please do not hesitate to contact Jean-François Poisson at (514) 954-6586 or by email at jfpoisson@axiuminfra.com should you have further questions.

Dominic Chalifoux
Director, Axiom Solar St. Isidore B General Partnership
