Attention: Ms. Kirsten Walli, Board Secretary

Dear Ms. Walli,

Re: Annual Report Regional Planning Report East Lake Superior Region (EB-2011-0043)

The Transmission System Code requires an annual regional planning report from each transmitter as per section 3C.3.3 of the Code:

“3C.3.3 A transmitter shall submit an annual report to the Board, on November 1st of each year, that identifies the status of regional planning for all regions, and shall post the report on its website. The report shall include the status of investments in conservation and demand management, generation or both for each region for which an Integrated Regional Resource Plan has been completed, provided that this information has been provided to the transmitter by the OPA no later than October 1st of the year.”

In this regard, GLPT hereby files with the Board the following:

- (i) Annual GLPT Regional Planning Report dated October 29, 2015
- (ii) GLPT Needs Assessment Report East Lake Superior Region dated December 12, 2014

The annual report will be posted on GLPT's web site (glp.ca) with the existing needs assessment report.
