Dear Ms. Walli:

Board File No. EB-2015-0073 Guelph Hydro Electric Systems Inc.

Board File No. EB-2015-0108 Waterloo North Hydro Inc.

Energy Probe – Submissions on ADR privilege

Pursuant to Procedural Order No. 2, issued October 28, 2015, in respect of both EB-2015-0073 and EB-2015-0108, wherein intervenors were provided an opportunity to make written submissions concerning the issue of the use of the term 'privilege' in the Guelph Hydro and Waterloo North Hydro settlement proposals, Energy Probe Research Foundation (Energy Probe) advises that it received a draft copy of the School Energy Coalition (SEC) submissions on the interpretation and application of the *Practice Direction on Settlement Conferences* (the "Practice Direction") with respect to confidentiality and privilege.

Please be advised that Energy Probe agrees with SEC's analysis of the information that should be protected at settlement conferences, and the extent and terms of disclosure of that information that should be provided.

Should you require additional information, please do not hesitate to contact me.

Yours truly,

David S. MacIntosh
Case Manager
