Ontario Energy Board

Toronto, Ontario

Dear Ms. Walli:

Re: Algoma Power Inc. EB-2015-0051

We are writing in regard to the Notice of Motion filed by the Algoma Coalition (the "Coalition") in the above-referenced proceeding.

Algoma Power Inc. ("API") is concerned that the two-week extension requested by the Coalition will result in API not being able to implement its 2016 rates until after January 1, 2016. This delay will require rate riders for foregone revenue, resulting in steeper month-over-month increases for API's customers. The Coalition could have filed interrogatories in this proceeding concurrent with preparing its Notice of Motion in order to maintain the Board's schedule.

API submits that the Board correctly applied section 3.05(i) of the *Practice Direction on Cost Awards* in Procedural Order #1.

Sincerely,
