THE ONTARIO ENERGY BOARD IS HOLDING A COMMUNITY MEETING

The Ontario Energy Board (OEB) is hosting a meeting on November 23, 2015 at the Murray L. Moore Hydro Museum, 283 Pembroke St. W., Pembroke, ON, K8A 6Y6, from 6 to 8 p.m. so that you can:

- Learn more about Ottawa River Power's costs and rate application
- Find out how the OEB will review the application
- Provide your comments about the application to the OEB

THE ONTARIO ENERGY BOARD IS ALSO HOLDING A PUBLIC HEARING

The OEB will hold a public hearing to consider Ottawa River Power's request. We will question the company on its case for a rate increase. We will also hear arguments from individuals and from groups that represent Ottawa River Power customers. At the end of this hearing, the OEB will decide what, if any, increase will be allowed.

Distributors such as Ottawa River Power typically apply for a full review of their rates every five years. Any rate changes for the years in between are made by applying a formula that is tied to inflation and other factors intended to promote efficiency. You may not get notice of future rate changes made by applying the formula.

The OEB is an independent and impartial public agency. We make decisions that serve the public interest. Our goal is to promote a financially viable and efficient energy sector that provides you with reliable energy services at a reasonable cost.
