Orillia Power Distribution Corporation has applied to the Ontario Energy Board to dispose of the balance in an account which, if approved, would result in a decrease in the amount it charges a typical residential customer by approximately \$1.82 each month for a two-year period beginning on January 1, 2016. Other customers, including businesses, may be affected as well.

THE ONTARIO ENERGY BOARD IS HOLDING A PUBLIC HEARING

The Ontario Energy Board (OEB) will hold a public hearing to consider Orillia Power's request. We will question the company on its case. We will also hear arguments from individuals and from groups that represent Orillia Power's customers. At the end of this hearing, the OEB will decide on the appropriate rate changes.

The OEB is an independent and impartial public agency. We make decisions that serve the public interest. Our goal is to promote a financially viable and efficient energy sector that provides you with reliable energy services at a reasonable cost.
