**Re: Application for Distribution Rates Effective May 1, 2016
Intent to Revise Incentive Regulation Mechanism Submission**

Dear Ms. Walli:

Greater Sudbury Hydro Inc ("GSHi") is writing to inform the Board of its intent to revise its application for distribution rates effective May 1, 2016 under the Fourth Generation Incentive Regulation Mechanism ("Rate Application") as filed on November 2nd, 2015.

A letter addressed to GSHi from the Ontario Energy Board was dated October 16th, 2015 and pertained to the 2014 Return on Equity Performance of GSHi. The letter was not received by GSHi until subsequent to filing on the November 2nd deadline. GSHi has since considered the contents of the letter and has decided to revise its Rate Application.

GSHi intends to file its revised Rate Application by Friday, November 13th, 2015.
