ORDER

TransCanada Energy Ltd. (TransCanada) filed an application dated October 8, 2015 under section 74 of the *Ontario Energy Board Act, 1998* (OEB Act) for an amendment to its Electricity Generation Licence EG-2009-0024.

TransCanada has requested to amend Schedule 1 of its licence to be the owner and operator of 5 solar generation facilities, namely Liskeard 1, Liskeard 3, Liskeard 4, Mississippi Mills and William Rutley. TransCanada states that as of November 30, 2015 it will acquire these facilities from the entities with electricity generation licences currently held by 2225256 Ontario Inc. (EG-2013-0026), 2225342 Ontario Inc. (EG-2013-0027), 2225345 Ontario Inc. (EG-2013-0028), 2225213 Ontario Inc. (EG-2013-0025), and Tempest Power Corp. (EG-2012-0043), respectively. TransCanada also requested under section 77(5) of the OEB Act cancellation of the above mentioned licences following close of the transaction.

I have considered the application without holding a hearing pursuant to section 6(4) of the OEB Act.

I find that it is in the public interest to grant the requested amendment to TransCanada's electricity generation licence and cancel the requested licences pending confirmation in writing from TransCanada that the transaction has been completed.

IT IS ORDERED THAT:

1. TransCanada's application for amendment to Schedule 1 of its Electricity Generation Licence EG-2009-0024 is granted on such conditions as are contained in the attached licence and pending written confirmation of the completion of the transaction.
2. 2225256 Ontario Inc.'s electricity generation licence EG-2013-0026 will be cancelled pending written confirmation of the completion of the transaction.
3. 2225342 Ontario Inc.'s electricity generation licence EG-2013-0027 will be cancelled pending written confirmation of the completion of the transaction.
4. 2225345 Ontario Inc.'s electricity generation licence EG-2013-0028 will be cancelled pending written confirmation of the completion of the transaction.
5. 2225213 Ontario Inc.'s electricity generation licence EG-2013-0025 will be cancelled pending written confirmation of the completion of the transaction.

6. Tempest Power Corp.'s electricity generation licence EG-2012-0043 will be cancelled pending written confirmation of the completion of the transaction.
