Dear Mr. Frostiak:

Re: Natural Gas Service Extension to McManus/Chukuni Subdivisions

The Ontario Energy Board (OEB) has completed an investigation of the matters raised in your correspondence to the OEB regarding the change in scope of Phase 2 of the Red Lake project.

We would like to inform you that Union Gas Limited has committed to file an application for approval of the OEB to serve the McManus/Chukuni Subdivisions. The application will be the subject of a hearing, either written or oral, and the OEB will make a determination on this matter as part of that proceeding. We will make sure you are served notice of this application, and you will have the opportunity to participate in the proceeding if you wish.

Any questions relating to this letter should be directed to Pascale.Duguay@ontarioenergyboard.ca or at 416-440-7739. The OEB's toll-free number is 1-888-632-6273.

Yours truly,
