Dear Mr. Shepherd:

**Re: Wasaga Distribution Inc. – 2016 Cost of Service Application  
OEB File No. EB-2015-0107**

The OEB is in receipt of your letter, dated November 5, 2015, requesting late intervenor status and cost eligibility on a late-filed basis.

Intervenor status and cost eligibility are hereby granted on the condition that the School Energy Coalition (SEC) accept the record as it stands. The list of parties to the proceeding will be updated to include SEC. In the meantime, all parties should provide SEC with materials required to be served on intervenors in this matter.

Yours truly,
