Ms. Kirsten Walli  
Board Secretary  
Ontario Energy Board  
2300 Yonge Street  
Suite 2700

Dear Ms. Walli:

**Re: Ontario Energy Board File No. EB-2015-0233  
Enbridge Gas Distribution Inc. Application for Exemption from  
Section 2.2.2 of the Affiliate Relationships Code for Gas Utilities**

---

We are counsel to Enbridge Gas Distribution Inc. (Enbridge) in respect of the above-noted application.

Enbridge filed its application on August 6, 2015 believing that this would allow sufficient opportunity for interrogatories and submissions to be received and considered by the Board so that a decision could be rendered before the end of the year. For administrative and logistical reasons and to facilitate the generation of the anticipated savings which the actions proposed by Enbridge are intended to generate, Enbridge remains desirous of receiving a decision from the Board by the end of the year.

Enbridge, however, notes that under Procedural Order No. 2 dated October 14, 2015, submissions of parties would not be required under December 21, 2015, with Enbridge's reply submission on or before January 6, 2016.

We have canvassed each of the intervenors to the proceeding and have proposed and received the consent of each to forward this request to the Board proposing revised dates for the balance of the steps required in this proceeding. Each of the counsel and representatives to BOMA, CME, Energy Probe and IGUA are agreeable to the following:

Interrogatories from OEB staff and intervenors:	Monday, November 23, 2015
Enbridge shall file written responses to interrogatories by:	Friday, November 27, 2015
Submissions from OEB staff and intervenors:	Monday, December 7, 2015
Reply Submission, if any:	Friday, December 11, 2015

November 16, 2015

By the Board issuing a further Procedural Order with the above dates, Enbridge hopes that the revised schedule will afford the Board sufficient opportunity to render a decision by the end of the year.

I take this opportunity to thank the parties for their cooperation and assistance.

Yours truly,

AIRD & BERLIS LLP
