Dear Ms. Walli:

EB-2015-0304 – OEB Review of Miscellaneous Rates and Charges – John Boldt Participant

In response to the Ontario Energy Board's November 5th letter to licensed electricity distributors, I am writing to indicate Hydro One Networks' ("Hydro One") intention to participate in the Ontario Energy Board's Pole Attachments Working Group on the review of miscellaneous rates and charges.

John Boldt, Manager, Program Integration will represent Hydro One. John's experience is listed below:

Experience and Qualifications

- Involved in Joint Use for approximately 15 years
- Attended the CCTA hearing RP-2003-0249, and supported the Canadian Electrical Association ("CEA")
- Current chairman of a CEA Joint Use Task Group and has been in that position since 2013
- Manager accountable for Distribution Joint Use for all of Hydro One Networks Inc.'s territory

Appearances at Ontario Energy Board Proceedings:

- EB-2010-0228 - Proposed Joint Use Rates for Generator Use of Distribution Poles and Fees for Connection Impact Assessments
- EB-2014-0022 - Suncor Energy Products Inc. s92 - Procedural Order No. 8 (Oral Hearing for the identification of the incremental impacts that arise as a result of a direct impact on price, reliability and quality of service of Hydro One's existing distribution system)

- Currently assisting and leading a yearlong time study on Hydro One's Misc Rates as directed by the OEB

Should the Board have any questions or concerns, please contact Erin Henderson at 416-345-4479.

Sincerely,
