Brian D'Amboise
Brantford Power Inc.
84 Market Street, Box 308
Brantford ON N3T 5N8

Dear Mr. D'Amboise:

**Re: Brantford Power Inc.
Application for Rates
OEB File Number EB-2015-0055**

As outlined in the case management letter issued on September 9, 2015, the Ontario Energy Board's (OEB) Vice President, Applications has been delegated authority under Section 6 of the *Ontario Energy Board Act, 1998* to make a decision on the 2016 Price Cap IR application filed by Brantford Power Inc. on August 19, 2015. All relevant information and updates to the application have now been provided.

Attached to this letter is a draft of the decision the delegated authority proposes to make based on the application. Please review the draft decision and provide any comments, including, in particular, on the proposed disposition of balances in Account 1589. Please take note of the draft findings and provide in your reply any considerations you may wish to highlight for the decision maker. Please also consider any as-yet outstanding information that would be required to implement the decision, such as any required revisions to billing determinants and re-calculation of rate riders related to the global adjustment, and provide them in your comments as well.

Please also review the accompanying Model for accuracy and completeness. Any comments are to be provided no later than December 1, 2015.

The Vice President, Applications will consider your comments, if any, provided they have been received by the deadline, and issue a final decision and rate order in due course.

You will notice that this draft decision does not reflect any rate changes to regulatory charges for 2016. If the OEB orders a change to regulatory charges before the issuance of this final decision, your case manager will update the model and decision accordingly.

Any further changes to the models will be documented and provided to you for review before the decision is finalized.

Any questions relating to this letter or your application should be directed to Christiane Wong, Information Administrator at 416-440-8115 or Christiane.Wong@ontarioenergyboard.ca.

Yours truly,
