To file the slide from a TCPL presentation.

Please see Attachment 1 for a slide from TransCanada reflecting the recent contracting levels of the Niagara and Chippawa receipt points. TransCanada has confirmed that while it was originally part of a confidential presentation, this slide can be provided in this proceeding.

The slide provided by TransCanada during the hearing as Exhibit K2.2 showed total capacity of 1.2 PJ. This graph shows that nearly all of that capacity is contracted.
